

To my fellow members of IGRA,

I am Rick Jones and looking to be your next IGRA President. I have been a part of IGRA for several years (30+) and most of you know me as a rodeo judge. I have also held Board of Director positions for local associations. If you have any questions or concerns, please direct your questions to my email address (okiepoke5@msn.com). Please take a few minutes and sent me your thought on the direction IGRA should go, and how as a team we get there.

Let's work as a team to make improvements to IGRA.

As your president:

- I will appoint members or take volunteers that want to work as committee to increase our public awareness.
- There is a place in IGRA for everyone.
- We must as organization find a newer way to reach a new and younger demographics.
- Form a committee that will re-establish IGRA University.
- Work together to make each rodeos a destination.
- Require Trustees to read, learn, and know the IGRA Rulebook
- Recruit a national sponsor for either seed money or added monies.

Thank you for your time:

Cheers,

Rick Jones
IGRA Senior Rodeo Judge
Candidate for IGRA President
